AMENDMENT UNDER 37 C.F.R. §1.111

Dear Sir:

This communication is in response to a non-final Office Action mailed on March 17, 2004. As this communication is being submitted within the shortened statutory period for reply of three months, it is believed to be timely and no fee is required. Please enter the following amendments to the specification and claims without prejudice and consider the following remarks, which support allowance of those claims.

A substitute specification is being presented pursuant to 37 C.F.R. §1.125. The number and nature of the amendments would render it difficult to consider the application and Applicants are submitting the entire specification including the claims, rewritten.
